

**GOVERNMENT OF ANDHRA PRADESH  
ABSTRACT**

**ENERGY** – Constitution of Committee with the officials of APIIC, APGENCO, & ANDHRA PRADESH Pollution Control Board to identify the blocks of land suitable for setting up power projects – Orders – Issued.

---

**ENERGY (POWER.IV) DEPARTMENT.**

**G.O.Ms.No: 13**

**Dated: 27.04.2011.**

**Read :**

Minutes of the meeting held by Hon'ble Chief Minister on 29.09.2010.

**O R D E R :-**

State Government has been receiving several requests from the private agencies for allotment of land for setting up power plants. During the meeting held by Hon'ble C.M on 29.09.2010 regarding allotment of land for development of power plants in Krishnapatnam area, it was decided that APIIC would consult Energy Department before giving allotment of land to any power project likely to come up in that area. It was also decided that APIIC would enable access of land and other infrastructure first to APGENCO and DISCOMs to facilitate Case-2 bidding by latter, across the State.

2. On review with AP GENCO & DISCOMs very little progress has been achieved in selecting suitable sites either for APGENCO or for NTPC or for APDISCOMs to facilitate their Case-2 bidding.

3. Government have examined the matter in detail and orders to constitute a committee consisting of Senior officials of APIIC, APGENCO and Senior officials of AP Pollution Control Board to identify the blocks of land suitable for locating power stations prima-facie confirming to environmental requirements and shelf of such lands may be made ready and may be allotted to agencies like (1) APGENCO, (2) NTPC, and (3) APDISCOMs for allotment to developers through method of case-2 bidding which is the requirement in terms of policy issued under Electricity Act, 2003, for accessing power from generators.

4. The Industries & Commerce Department and APIIC shall take further action in this regard.
